SprayWetter

A 100% non-ionic surfactant that enhances spray performance by improving coverage, spreading and adhesion, while reducing rain risk.

ACTIVE INGREDIENT:
75% Ethoxylated Alcohols

Contains

litres

DATE OF
MANUFACTURE:

BATCH No:

DIRECTIONS FOR USE (Read Label before Use)

A 100% non-ionic surfactant for use as a spray tank additive to improve coverage, spreading, and adhesion, while reducing rain risk. Enhances herbicide performance, particularly on hard-to-wet or waxy plants, and improves results in tough conditions such as plant stress or dusty surfaces. Provides maximum benefit when spraying in marginal growth conditions. Use 100ml per 100 litres of spray unless a higher rate is specified in the herbicide directions. Add when the tank is 90% full to minimise foaming.

SprayWetter can be used for turf and lawn care. Scan the QR code for application rates and details.

HAZARD CLASSIFICATIONS: Acute oral toxicity Category 4, Serious eye damage Category 1.

DANGER: Causes serious eye damage. **TOXICITY:** Harmful if swallowed.

PRECAUTIONS: Wear eye/face protection. Do not eat, drink or smoke when using this product. Wash contaminated body parts thoroughly after handling.

DISPOSAL: Container - Triple rinse empty container and add residue to spray tank. Do not burn containers. Crush or puncture and bury in a suitably approved landfill or through Agrecovery recycling service.

Product - Dispose of this product only by using according to the label directions or if this is not possible alternatively contact Rainbow & Brown for advice. Do not dispose of this product down drains or sewers.

STORAGE: Keep out of reach of children. Store in the closed original container in a dry, cool, well-ventilated area out of direct sunlight. Keep away from food and feedstuffs. Store in accordance with the current version of NZS8409 Management of Agrichemicals.

SPILLS: Collect spillage. Prevent from entering waterways. Absorb residues and dispose of safely.

FIRST AID: If medical advice is needed, have product container or label at hand.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if you feel unwell.

IF IN EYES: Rinse cautiously with running clean water for several minutes. Remove contact lenses if present and easy to do and continue rinsing. Immediately call a POISON CENTER or physician.

IF SWALLOWED: Do NOT induce vomiting. Rinse mouth with water. Get medical advice.

IF ON SKIN: Wash with plenty of soap and water. Wash contaminated clothing before reuse. Do not scrub skin. If skin irritation or rash occurs: Get medical attention.

For emergency safety advice call 24-hour numbers: 0800-CHEMCALL (0800 243 622). NATIONAL POISON CENTRE 0800 764 766

Approved under the HSNO Act 1996, HSR002503.

See www.epa.govt.nz for Approval Controls.

CONDITIONS OF SALE: This product is warranted by Rainbow & Brown Ltd. to conform to the chemical description specified on the label, and to be reasonably fit for the purposes stated in the directions if used in accordance with the directions. The user bears all risks of damage or failure resulting from factors beyond the control of Rainbow & Brown Ltd. Rainbow & Brown Ltd. declines all liability for any damages resulting from the improper use of this product.
