ECOTOXIC

Rainbow & Brown

SuperWetter

Organosilicone wetter for improved penetration and faster uptake of Glyphosate & Metsulfuron herbicides.

Contains

ACTIVE INGREDIENT:

Greater than 90% organomodified polydimethylsiloxane

litres

DATE OF
MANUFACTURE:

BATCH No:

DIRECTIONS FOR USE (Read Label Before Use)

Use where indicated by the herbicide directions at 100 – 200ml per 100L of spray solution. Add when the spray tank is 90% full, to reduce foaming. When applied as directed to dry plants, the rain risk period is reduced to about 30 minutes. The rain risk period is not shortened if wet plants are sprayed.

Superwetter can be used for turf and lawn care. Scan the QR code for application rates and details.

HAZARDS CLASSIFICATIONS: Acute inhalation toxicity Category 4, Eye irritation Category 2, Hazardous to the aquatic environment chronic Category 2. **TOXICITY:** Harmful if inhaled. Causes serious eye irritation. **ECOTOXICITY:** Toxic to aquatic life with long-lasting effects. **PRECAUTIONS:** Wear eye/face protection. Avoid breathing mist/spray. Use only outdoors or in a well-ventilated area. Wash hands thoroughly after handling. Avoid release to the environment. Do not apply directly into or onto water. **DISPOSAL:** **Container** - Triple rinse empty container and add residue to spray tank. Do not burn containers. Crush or puncture and bury in a suitably approved landfill or through Agrecovery recycling service. **Product** - Dispose of this product only by using according to the label directions or if this is not possible alternatively contact Rainbow & Brown for advice. Do not dispose of this product down drains or sewers. **STORAGE:** Store in original closed container in a cool well-ventilated place away from foodstuffs. Stores containing 1000 litres require secondary containment and signage and more than 1000 litres require emergency response plans. **SPILLS:** Collect spillage. Prevent from entering waterways. Absorb residues and dispose of safely.

FIRST AID: If medical advice is needed, have product container or label at hand.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Get medical attention if you feel unwell. **IF IN EYES:** Rinse cautiously with running clean water for several minutes. Remove contact lenses if present and easy to do and continue rinsing. Seek medical attention if irritation persists. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting or give liquid (beyond washing out the mouth) unless instructed to do so following medical advice. Get medical advice. **IF ON SKIN:** Wash with plenty of soap and water. Wash contaminated clothing before reuse. Do not scrub skin. If skin irritation or rash occurs: Get medical attention.
